

Secondary Skills

These skills are listed as an added supplement to those found under **83. Adventure Actions** in the DragonQuest, Second Edition guide. Whenever an adventurer is performing one of these actions, consult the following results below.

Acrobatics (MD + AG) + (RK x 5) - Use this skill to test your balance on narrow or unstable surfaces, to escape from restraints, and perform extraordinary feats of balance.

Athletics (PS + MD) + (RK x 5) - Use this skill to climb, swim, or jump. Qualities include coordination, flexibility, precision, power, speed, endurance, awareness efficiency, and timing.

Culture (2 x PC) + (WP / 2) + (RK x 5) - Use this skill to understand the attitudes, feelings, values, and behavior that characterize and inform society of a specific social group (i.e., art, manner, attire, burial rites, etc.).

History (WP x 2) + (RK x 5) - Using this skill, you have knowledge about history, including significant events, legends, customs, and traditions.

Horsemanship (MD + WP) + (RK x 5) - Use horsemanship to direct and control animals which you ride.

Influence (PC + PB) + (RK x 5) - Use this skill to control and persuade the actions of others. The act or power of producing an effect without apparent exertion of force or direct exercise of command.

Insight (PC / 2) + (2 x WP) + (RK x 5) - Use this skill to discern intent and decipher body language, making a best guess as to a target's motives, attitudes, and truthfulness.

Stealth (2 x AG) + (RK x 5) - Use stealth to move as soundlessly and unobtrusively as possible.

Rank ►	0	1	2	3	4	5	6	7	8	9	10
